Abstract

The men of the khasam tribe lived in different parts of the Arabian Peninsula and often idolaters Before Islam. With the advent of Islam, they gradually and eventually in the ninth year of AH became Muslim. They believed in the Prophet and they participated

With prophet in the battles and haj-al-wedaa, and after the demise of the Prophet, they participated in various battles and conquests, and each played a major role in the history events.

One way of recognizing celebrities is to introduce them in the form of a text because each tribe is known with the name of its celebrities in history Celebrities always keep their names in history and their biographies help to strengthen their native and tribal culture. Their biographical review enhances indigenous and tribal culture. Their clarification of their role in the past helps us to divide celebrities into three categories:

Political celebrities, cultural celebrities and religious;

Military political celebrities who were often commander of wars and also they had the ability and talent of war.

And the cultural celebrities were poets and scribes.
And the third was the religious celebrities and mohdads of that time. All three categories of these celebrities are seen among the men of the khasam tribe of the tribe, whose performance differed according to the difference in vision and family and place of residence and their social interests.

المنصف:
عرف رجال قبيلة ختم قبل الإسلام بأنهم من الكفار المشددين، وكان رجال هذه القبيلة يعيشون في مناطق مختلفة من شبه الجزيرة العربية ( فيما يعرف اليوم بالمملكة العربية السعودية)، مع ظهور الإسلام اعتنق البعض منهم الدين الجديد، ومع حلول العام التاسع للهجرة دخل كل رجالات القبيلة الدين الإسلامي، ومع إسلامهم أطروا
الرسول الكريم العهود والمواثق في أن يساندوا الرسول الكريم محمد (ص) في حروبه مع المشركين، وفالف شاركون معه في معارك متعددة.

إن أهم الطرق في التعرف على الرجال العظام في التاريخ دراسة في تاريخ قبائلهم لأن لكل قبيلة تاريخها الذي دونه المدونات التاريخية والذي يثبت فيه الأشخاص العظماء والرموقين من تلك القبيلة إذ يصف الرجال المرموقين في القبيلة تبعاً إلى منجزاتهم العسكرية والعلمية والدينية.

فالعكس كرائه تبين من كان منهم قائداً في الحروب، أما العلماء فإنها تسجل للقبيلة الشعراء والمؤلفين، فيما يسلط الجانب الديني الضوء على علماء الدين ورواية الحديث النبوي الشريف.

وقد درس المؤرخون جميع الققبال الثلاث من المشاهير من بني قبيلة خضم، التي إختلف أدائها وفقاً لاختلافات في الرؤية والأسرة ومنطق الإمارة ومصالحهم الخاصة.
